

SAKURA FORTUNE 40,000 DWT Open Hatch Bulk Carrier 76

SAKURA FORTUNE 40,000 DWT Open Hatch Bulk Carrier 76

The 40,000-dwt type open hatch bulk carrier SAKURA FORTUNE was built at SHIN KURUSHIMA TOYOHASHI SHIPBUILDING CO., LTD. and delivered to the Panamanian Owner in January 2021.

Features

1. The vessel has double hull construction for all five (5) cargo holds. No.2, No.3 and No.4 cargo holds are fully box shape construction.
2. Wide size hatches and box shape holds are highly efficient for steel coils and other cargoes loading.
3. The hatch covers are wide folding type and operated by hydraulic cylinders.

4. The vessel has four (4) sets of 30 ton electro-hydraulic single deck cranes.

PRINCIPAL PARTICULARS

Length (o.a.)	182.87 m	MCR (kw×rpm)	5,700 kW x 105 min ⁻¹
Length (b.p.)	179.95 m	NOR (kw×rpm)	4,845 kW x about 99.5 min ⁻¹
Breadth (mld.)	31.00 m	Speed (service)	14.0 knots
Depth (mld.)	14.70 m	Complement	25 P
Draft (mld.)	10.32 m	Classification	NK
Gross tonnage	25,010	Loading capacity (grain)	48,358 m ³
Deadweight	39,936 t	(bale)	47,116 m ³
Main engine ... MAKITA-MITSUI-MAN B&W 6S46ME-B8.5-HPSCR		Builder	Shin Kurushima Toyohashi Shipbuilding Co., Ltd.
