April 25, 2022

The 27th Posidonia 2022 (The International Shipping Exhibition) will take place at the Metropolitan Expo Centre in Athens for five days from June 6 through 10, following the cancellation of the 2020 exhibition due to the pandemic. This event is organized by Posidonia Exhibitions SA and sponsored by the Greek Ministry of Mercantile Marine, Union of Greek Shipowners, and other organizations related to the maritime industry. The Japan Ship Exporters' Association (JSEA) will participate in the exhibition with the financial support of The Nippon Foundation and in cooperation with The Shipbuilders' Association of Japan. JSEA will represent the Japanese shipbuilding industry together with the Japanese Marine Equipment Association (JSMEA) using a 489m² stand floor to demonstrate their superior technologies accumulated through many years of experience in shipbuilding. Specific ship hull forms, newly developed ship designs, and other developments will be demonstrated with 50-inch monitors, photographs, and other presentations. A large multi-screen monitor system will be installed as a backdrop to the reception counter. In addition, JSEA is now planning to hold the Japan Seminar at the Posidonia Seminar Room, Metropolitan Expo Centre, in the afternoon of Tuesday, June 7, 2022.

JSEA consists of the following shipbuilders:
