

**Release of NOR-SHIPPING 2023 version of JSEA Digital Platform (JDP)
and registration guide for the Japan Seminar**

25 April 2023
JSEA

We, Japan Ship Exporters' Association (JSEA), are excited to announce the releasing NOR-SHIPPING 2023 version of JSEA Digital Platform (JDP) in our website on April 25, 2023.

The 29th NOR-SHIPPING 2023 will take place in Oslo, Norway, for four days from June 6 through June 9.

JDP is a virtual exhibition simulating the actual Japan Pavilion which JSEA provided (See the attached picture). Each exhibition booth in JDP provides promotional videos, specific ship hull forms, newly-developed ship designs, and brochures of Japanese shipbuilders.

In addition, **through JDP, your registration is available to join the Japan Seminar which will be held in 13:30. 7th June. at the Meeting room in the Thon Hotel Arena.**

Presenters will be Nihon Shipyard Co., Ltd. (NSY) , Kawasaki Heavy Industries (U.K.) Ltd., Mitsubishi Shipbuilding Co., Ltd., TOKYO KEIKI CO., LTD., DAIHATSU DIESEL MFG, CO., LTD., HyEng Corporation and Nippon Kaiji Kyokai (Class NK) from Japan. Besides, Innovation Norway and GCE Maritime CleanTech at the Norway side will participate.

The meeting room of the Japan Seminar is allowable up to 100 participants. Registration may be closed if the seminar reaches its maximum occupancy.

The following QR code or URL allows you to access JDP NOR-SHIPPING 2023 version. We are looking forward to your visit to our JDP and your registration for the Japan Seminar.
